Dear Mr. Garcia,

Thank you for participating as a speaker in our **Preparing to Prime for Contractors** series. This year's pilot program has attracted minority and women business owners who are investigating prime contracting opportunities in construction with ADOT. Your knowledge and background is a tremendous resource to them, and we appreciate the time you spent sharing that information.

We have had great feedback on the series so far. Your presentation received especially high marks. According to the evaluations the overall score on your session was 5 out of 5! Of course, we are very interested in your feedback as well and invite you to direct any comments on this series or session to us.

We hope you will continue your involvement with the DBE Supportive Services program and look forward to seeing you at its upcoming events. A full schedule of activities is available on the DBE Supportive Services blog at www.adotdbe.com.
